Backboard banter with Brownny

2014 has seen another very successful season nearing completion. Best of luck to all the teams in the finals.

Thanks to Denise and Mark for all your hard work during the year. It has been a very enjoyable year working with you and following what you have achieved, and I am looking forward to more next year.

We have all seen a renewed enthusiasm in playing, coaching, umpiring and junior development in particular, and that is something you should be very proud of.

Well done on the development of our juniors and the programs that you have developed.

Thanks to the combined efforts of our board of directors. I think as a group we have achieved a lot this year and I hope we can do more next year.

Thanks to all our games controllers, door staff, canteen staff and our cleaners for keeping the stadium running.

Thankyou to the individual club presidents, treasurers, and volunteers for your tireless efforts. Without your huge efforts, we wouldn't have a competition as good as it is.

Thanks to all the coaches, umpires, players for what you have achieved this year also. We have seen some great wins and improvements in 2014 and are looking forward to more in the future.

Thanks to our Tribunal Members who have helped the GABA this year. Thank you for your efforts and work you have put in voluntarily.

Congratulations to our new life members in 2014. Life Membership was awarded to Ruth Rogers, Barb Willock, Delma Shuttleworth, Annette Cooper, Marilyn Heberle, Dave Rowe and Joan Evans. Congratulations to you all as I know this award has been very well deserved.

Thanks also to everyone involved with the Sun City Plumbing Geraldton Buccaneers from coaches, players, managers, volunteers and working committees. I would like to wish you all the best for the upcoming season in 2014.

And last of all, but certainly not least, thanks to our GABA sponsors Activewest Real Estate, Market Creations, Willocks Surf, Beresford Electrical and Mitchell and Brown.

I know there are also a huge number of sponsors at club level and of the Buccaneers, and I thank you very much too.

All the Best

Buccs update

The Sun City Plumbing Geraldton Buccaneers are gearing up for the start of the SBL season, which is now only a week away. Despite a few injury concerns in the camp, the boys are working at practice competing for spots in the team. It is great to see Carter Cook back in town and the Buccs faithful are looking for another outstanding season from him. Our other import, Odartey Blankson, is expected to arrive in Geraldton any day now.

Bennie Lewis surprised the playing group last Friday night arriving from America to take part in the SBL pre-season Blitz. There were many positives over the weekend and it certainly looks to be an exciting year.

We cannot wait to begin the season and looking forward to seeing our loyal supports, and hopefully a lot of new supporters, at our first home game on the 22nd March.

Seven new members were inducted into the Geraldton Amateur Basketball Association Hall of Fame recently. Annette Cooper, Ruth Rogers, Delma Shuttleworth, Dave Rowe, Joan Evans, Marilyn Heberle and Barb Willock were all inducted at a lunch at the Geraldton Club. All seven inductees were worthy recipients of the honour and their achievements are highlighted below.

Annette Cooper

Annette has been involved with the GABA for over 40 years. As a player she represented Geraldton and WA at National level. She has won the Mitchell & Brown Player of the Year award three times and is a life member of the Trades Basketball Club.

Annette has coached and been manager for junior and senior teams of Trades and the GABA. She has also coached the Lady Buccs as well as the Midwest Basketball Academy. She has also served as a GABA administrator and games controller.

Barb Willock

Barb started playing basketball at the age of 14. She was a founding member of the Stateside Junior Basketball Club and is a life member of Stateside Basketball Club. Refereeing was a passion of Barb's and she holds a Level 1 Certificate.

She has been a President and Treasurer of the Stateside Basketball Club and is still on the committee. Barb has also worked in the canteen for the last seven years.

David Rowe

David has been involved with the GABA for 15 years, 10 as a Director and 9 as President. He has coached at a State and National level as well as Country Week and State Championship teams. David was assistant coach for the Lady Buccs.

He is currently coaching a junior basketball team and had the role of coach and evaluator to both the SBL and GABA.

Marilyn Heberle

Marilyn has been a director, administrator and canteen manager. She was also the Hawks junior delegate for 25 years.

Marilyn was the team manager for many Country Week and State Championship teams and the coordinator of the Indian Ocean Master Games. She represented the Mid West in the Sydney Master Games.

Marilyn was instrumental in getting the Lady Buccs started through securing sponsorship, and was inaugural team manager for the Lady Buccs.

Delma Shuttleworth

Delma has been involved with the GABA since the early '80s. She has held the role of Treasurer and administrator. She currently works as the gate-keeper and still does the GABA banking.

Young Guns Tour

The Geraldton Buccaneers Young Guns Squad embarked on their first official tour during the January School Holidays. Despite the ridiculous amount of kilometres travelled (over 3,500km) and time spent on the bus (over 35 hours), the tour was an overwhelming success. The athletes travelled to Albany, Esperance, Kalgoorlie, Perth and Pinjarra, on an eight day tour.

The quality of basketball that was played by both the girls and boys team exceeded expectations and all athletes should be proud of their achievements. Both teams were undefeated during their first 12 games and were full of confidence leading into the final day of matches against the Under 18 WA State Country Teams.

It is a very daunting task playing against the State squad. Unfortunately fatigue and injuries were a factor for the Young Guns in these games and both teams went down. One of the huge benefits of this trip was that all athletes experienced what it was like to be on a basketball tour and have taken a lot away from this trip.

Along with a wonderful basketball experience, the Young Guns also got to see a lot of what Western Australia has to offer. Some of the most memorable places we visited were Middleton Beach in Albany, Frenchman's Peak, Lucky Bay, Hellfire Bay at Cape Le Grand in Esperance, Twilight Beach in Esperance and the Superpit and Hay Street in Kalgoorlie.

This trip could not happen without the support of our generous sponsors. Every basketball association we visited was extremely jealous of what is happening with the Young Guns Program and I believe we are doing everything we can to be a successful association in the future. Thank you to the following sponsors: GABA, Market Creations, Willocks Surf, Beresford Electrical, Golden West Logistic and Snap Fitness. Please support our sponsors by using their services.

Finally, I would like to thank Jaz Bowley for her coaching expertise and motherly love while on the trip. Eric Cooper for his extraordinary effort in driving the bus and being the funny uncle. All the parents for supplying us with some amazing home cooked meals. And most importantly, the Young Gun Athletes.

The way you all conducted yourselves throughout an eight day tour was outstanding. You played hard but fair in every game. Not only did we improve dramatically as a squad, but you all improved individually. I hope you cherish the experience and continue to take up the opportunities the Young Guns program is providing.

country week

Throughout December last year, we had 12 teams represent the GABA at the BWA State Championships in Perth. It was very pleasing to see all our teams wear the new Geraldton Buccaneers uniforms with pride.

We had some fantastic results in 2013, winning 10 more games than in 2012, and having a winning percentage of 0.400 compared to 0.279 last year.

Huge congratulations must go to the Under 12 Women's side, coached by Kym Coulthard and Lauren Stone, for taking out the Division 2 Championship. We had 3 other teams make the semi-finals; under 13 women (2nd Division), under 14 women (Championship Division) and under 19 women (Championship Division).

Junior Country Championships 2014

Throughout February, the GABA had 10 teams play in the Smarter than Smoking Country Championships in Perth. We had some fantastic results with 6 teams making it to the grand final. This was more than any other Country Association which is a huge result. Huge congratulations must go to the under 15 girls team, who ended up winning the Championship in a very exciting and nerve racking overtime win.

Senior Country Week 2014

Over the weekend of 1 March 2014 through 3 March 2014 the Geraldton Basketball Association was represented at the Smarter than Smoking BWA Country Championships by 7 senior teams, 3 womens and 4 mens. It was the first time in 3 years that a team competed in the Womens Division 1 and 2 grades, a very positive sign for the future of the association. Of the 7 teams representing over the 3 day tournament 5 had very successful campaigns earning themselves a place in the grand finals held on Monday afternoon.

All in all a very successful weekend of basketball for the association as teams now prepare for grand finals in the Geraldton Season which are to be played on Friday night for division 2 through to veterans and Saturday night for division 1.
