Coaches Comments Magic Men's Head Coach

Welcome everybody to the MARC for our first home game for season 2022 as we welcome the Buccaneers for this Sunday's fixture.

It's felt like an eternity since we last played at home in our nail-biting win in the finals last season and much has changed to our line up since then.

As I'm sure has been the case for most teams it's been an interrupted preseason but all involved are super excited, we are now fortunate the season is underway.

We have some incredible people who volunteer and support the club in many ways and it's great that Brian Bradshaw and his family are back on board with Westurn Engineering continuing their support as the NBL1 Men's major sponsor for season 2022.

Hoping you all enjoy today's game and we thank you all for your continued support.
Go Magic.

Head Coach MNBL1
