BUCCS VS COUGARS

COACH'S CORNER

Evening Buccs Supporters,

It is so good to be at home this weekend after 2 weeks of road trips. It's been a great start by our guys to have 4 road wins on the boards and now we get some home support playing in front of our loyal home crowd.

With some extensive work in the off season by our off-court team Led by Andrew Horstman we have been able to recruit a few guys that will help make us a competitive unit throughout the season. Mathiang Muo returns after helping carrying us through a tough 2021 season. Some new faces are Shaun Stewart, Cameron Coleman, Malik Meunier, Ryan Blanchett and Fletcher Klasztorny. Hopefull you get to know them over the next few weeks and see what they offer our team. Add these guys to Wundenberg, Galvin, Narkle, Dobson, Evans, Parfitt, Griechen and Hunt makes for a very talented deep team. We all know Liam's story and he continues to amaze me what he has been able to achieve. Mat's longevity continues and Will showed he is ready any time to set up.

We have been somewhat lucky in past 4 games by catching 3 of those teams not at full strength for various reasons so we are really keeping those past results in perspective. This week's game against an undefeated Cockburn Cougars, is going to be a real test for both teams. As I write both teams have been at full strength and I am really looking forward to the challenge of what they bring. At 7'1 Pascal Chukwu will make it difficult for us to get to the basket. They have 2 of the best shooters in the league in Field & Skaggs, a scoring point guard in Chan and not to forget the athletic ex Buccs player Josh Hunt.

Coach Andrew Cooper always has teams well drilled and knows the strengths & weaknesses of every team in the league. This should be a very high quality game for us all to enjoy.

As usual we need your support. "Cheer loud" and go Buccs.

MICK'S CORNER

The WABL Open Championship Division (formerly D League) kicked off their season last week with a road game against Lakeside Lighting. Although we went down by 24pts 105 to 81 our new look team with two debutants (Jake Baker and Elliot Bennet) along with some fresh faced juniors (Toby Gerreyn and Campbell Surtees) had a good first hit out and it was great to see our up and coming players hit the court.

Tom Dobson led the way on the scoreboard with 24pts with old hand Clayton Parfit following next with 14pts. We had a great spread of scoring from the rest of the team with first gamer Jake Baker hitting 9pts while Harry Evans, Will Galvin and Campbell Surtees all contributing 8pts. Toby Gerreyn worked hard on the boards alongside Will Galvin while Elliot Bennet and Dempsey Joseph provided some defensive leadership and helped control the game for us against the Lakeside pressure.

With a renewed focus this week on defence the boy's will hit the court at home against a very good team in the Cockburn Cougars, lets get behind them and cheer on the future stars of the Buccaneers.

FLASHBACKS / WHERE ARE THEY NOW

Well the biggest road trip of the regular season has come and gone. The team headed to Perth on Friday morning and unfortunately they went down in a close game to the Redbacks.

Then it was off to Kalgoorlie - Giants territory and it's never easy out there. Apart from the Giants being a good team, its cold and the locals are never too friendly, but reports are that the game was in hand early and the Buccs got the win by 18.

The difference between this road trip than any other the Buccs do is it's the only chance they get to let their hair down post match as there was no Sunday fixture. The trip is always sure to bring back some good stories and the reports came flooding back to Gero about the good times had by all celebrating the win.

The place of accommodation for the boys is also the pub of choice for some soft drinks, etc. It is also the local karaoke bar and true to Buccs tradition some of the boys couldn't help themselves from getting up there and belting out a few tune's. Wittsy was first to go and do his fav song the "Gambler", but he was not to be out done Brian who hit the stage with what can only be described as a unique Eminem song (kalgoorlie will never be the same). After a while most of the guys had gone up on stage but Lou & Clayton were still yet to go. With some encouragement from their teammates they got up on stage, and the place went silent when they started to sing their own rendition from the Duets movie theme "Cruisin". There wasn't a dry eye in the place as Lou & Clay held hands and looked into each other's eye singing away.

It seems that the long time team physio needs a new alarm clock! Reports have come back that every one piled into the taxi's for the airport Sunday morning as most were just worried about getting themselves to the airport on time and they forgot to do a head count and BJ was left behind. Lucky for BJ the flight was delayed and he made it on time.

Well it seems one of my usual sources of gossip, GM Rubes, was very quiet when contacted this week for any gossip on the players etc. Rubes just gave a "no comment this week".

I thought I better ask around to see what went down. A few of the boys said Rubes made the trip out to Kal to support the team, but unlike other years when coaching he started drinking before the game and struggled to keep up with the boys post match. Capt. Matt said "We were running up and down playing and I could see Rubes giving all the Kal supporters a hard time in the bar up in the corner next to the court and at one stage he was surrounded by some not to happy supporters." It seems the only way they could shut him up was to buy him free drinks all night, well it worked but the silence didn't take effect until the next day as Rubes was very quiet on the plane flight back to Perth and the Bus trip home.

Matt said that was more enjoyable than the win to see Rubes in so much pain as he usually is the noisiest one on the bus. The Perth tarmac will never be the same and Qantas have had to place a fresh order of those little white bags they keep in the seat pockets, I think he almost got put on the Terrorist list after that plane trip.

LONG BOMB THIS WEEK'S JACKPOT \$100

BACKCOURT BUCCS / FAN SPOTLIGHT

The Buccs are full of new, young and old faces this season, but none older than Mathew Wundenberg who is going around again to keep his games played tally bumping up further and further to hold over Aaron Ralph's head, as he recovers from an ACL surgery for the season. We will miss Ralph's presence on the court this season with his "3 and T" attitude (3 pointers and technical fouls).

One of the new faces the Buccs have added to the team is Malik Meunier. Malik made a sharp impression on his first day in Geraldton after flying in from Melbourne, as some team members thought that his last name was pronounced as "manure". Malik is referred to by teammates as "Mumbles" due to his unique way of speaking under his breath loud enough for people to hear that he is saying something but not understand what he is saying at all. What Malik lacks in speech, he will make up for in speed and effort on the court. We at the Buccs are all thrilled that Malik has joined us for the 2022 season!

Thank you all for your support and we look forward to trying to put on a show for this season!
