BUCCS VS GIANTS

RUTH ROGERS
MEMORIAL GAME

COACH'S CORNER

Welcome to our second home game of the season for our match up with country rivals The Goldfield Giants.

Other than the end result I hope this week's game plays out a little different. We didn't get off to a great start against the Cougars and had to dig our way out of a big hole to come back from being 19 down. We can't ignore the first half but we can take a lot from the second half.

The way they were able to change the game with a little more effort, some better execution and great team work was something we can look at and see what we are capable of. Another big game from Shaun Stewart, who continues to keep ticking over the score board for us, took out top award on game night and congratulations to Shaun for picking up the NBL1 West player of the week. Fletcher Klasztorny picked up an award for his efforts and Malik Meunier is impressing each week since arriving here from Melbourne.

The Giants come into this game with some great form. A win last week against Flames, who are an early favourite for the title with the team they have put together, has got heads turning. Giants have recruited well and have a very exciting team. We are looking forward to another challenge to try and keep this roll going for another week. It should be a fun and entertaining game for all. The Giants have a few new faces in the line-up making their first trip to Geraldton.

Let's make it a game to remember!

"Cheer loud" and go Buccs.

MICK'S CORNER

We lined up against a much bigger, older and physical Cockburn team. The boys started really well hitting perimeter shots and rebounding extremely well considering our size. To the boys credit they matched Cockburn physically in the paint with Will Galvin and Bob Grechien working extremely hard on the boards.

Tom Dobson and Bob continued hitting big shots all game inside and out. Harry Evans and Clayton Parfit played really well rounded games playing big minutes and with young Harry not committing 1 TO. Every one that hit the floor done their job and played very hard.

In the end I was very proud of the young boys to get up by 20+ points against a Cockburn team with a lot of sbl/nbl1 experience it was very pleasing.

Good luck tonight boys.

300 OF THE BEST

by Saskia Loosjes

ONE of Geraldton's greater basketball veterans has celebrated a 300-game career milestone with the Geraldton Retravision Buccaneers.

One-time Perth Wildcat Greg Brown has gone down in Skywest Basketball League history as the youngest player to reach the milestone and the first Australian to play 300 games with the one club.

It's another feather in the already impressive cap of basketball achievements for the Geraldton boy.

By 15 Brown was representing WA in the Under 16s state squad. In his 16th year he joined the Batavia Buccaneers, although it was not until his second season that he suited up for the first time.

"It felt really good to play. Before a game I was always excited whether I got to play or not," Brown said.

In 1997 he broke into the National Basketball League playing with the Perth Wildcats for three seasons. His first season with the Cats saw Brown awarded 'Most Improved'. A lack of court time would see him return to his roots, Geraldton and the Buccs in 1999.

"Playing with the Wildcats was probably the highlight of my basketball career at that time. It is something I always strived for and I'm glad I got to do it," he said.

"Even though I didn't get much court time the atmosphere and feeling of achieving what I achieved made it all worth it."

Brown said it was a hard decision for him to come back to Geraldton, but said it was also the right one.

At his 300th game in Geraldton he was honoured by the SBL for his dedication to the sport. He received a framed set of photographs, illustrating his successful career to date, now hanging in the basketball stadium which also houses a grandstand honouring his father, and source of much of his inspiration, Bernard Brown.

The Buccs went on to thrash the East Perth Eagles 135 to 92 for Brown's 300th game; he tallied 40 of those points. To put it simply, he was on fire; but remained characteristically modest.

"I thought I went alright tonight, there were a lot of easy lay-ups, but yeah we did well," he said.

300 of the best, 300 with the one team, and the best team too, just ask Brown.

"Geraldton is a great place to live and it is a great place, the greatest place, to play basketball," he said.

"The team we have now is the best team we have ever had I think. At the moment we get really well, which to be successful, is so important."

And in the meantime and thereafter, there is basketball. Brown is not slowing down yet; there will be many more 'Greg Brown Moments' on the court and for many more years to come.

"Maybe one day I'll look back on this and be proud and think, yeh, that was my 300th game. But at the moment it's really just another game," he said.

"I'm only 27 years old and have a lot more basketball left in me."

BACKCOURT BUCCS / FAN SPOTLIGHT

After a successful and suspenseful home opener, the Buccs are back at home to face off against a very tough Kalgoorlie Giants squad.

Giants v Buccs has been an intense rivalry since the beginning. When the teams first started playing, Malik Meunier was in diapers, Cameron Coleman hugged his first girlfriend in year 3, Fletchy K learned how to walk for the first time when he was 5 and Johny Narkle dunked a basketball after just being born.

It is hard to not spotlight the unreal performance of Shaun Stewart last week, especially his clutch block to send the game into overtime. His heart and desire was truly outstanding but we keep hearing people call him "perfect" and it is time to put an end to that. Shaun used to play for the Mandurah Magic, that's strike one, he also signed with the Buccs in 2020 and suddenly "COVID 19" appeared, what a coincidence! Lastly, Shaun will lie directly to you about his height saying that he is 183cm but let's be honest here, he climbed on the big fellas' back to get that block, so I will let you be the judge.

On a serious note the Breast Cancer Awareness round is tonight. Please show as much support as possible for this event, as it is close to all our hearts with the wonderful Ruth Rogers being such an amazing part of our community for so many years.

Let's have another great night! Go Buccs.
